## PRESS RELEASE

---

### **INTRASOFT International Diamond Sponsor of the SAP Forum 2010**

**Peania, April 22, 2010 - INTRASOFT International**, a member of **INTRACOM IT SERVICES Group**, is a “**Diamond Sponsor**” of the annual SAP Forum 2010 on April 28, 2010, held at the Athenaeum Intercontinental.

At its central presentation, INTRASOFT International will showcase SAP solutions that can meet the companies’ needs to successfully handle problems that arise from a difficult and competitive business environment.

At INTRASOFT’s International booth, visitors will learn more about the SAP projects that INTRASOFT International successfully implemented in 2009, such as the implementation of the SAP solution for Professional Services in European Profiles SA, the SAP ERP solution for ION SA and I. Kotsiopoulos Bros SA, as well as the SAP roll-out project to Miele Hellas, the Greek subsidiary of Miele & Cie K.G.

In addition, INTRASOFT International will familiarize the visitors with the **preconfigured SAP solutions** for vertical markets like Commerce, Manufacturing, Healthcare, Constructions, and Professional Services, as well as with the cross-industry solutions the company offers, such as **SAP Customer Relationship Management** and **SAP Business Objects business intelligence**. At the same time, visitors can also learn how companies could benefit from INTRASOFT’s International unique approach to SAP projects, ensuring the SAP competitive advantage with a cost-effective short-time implementation.

###

#### **About INTRASOFT International:**

Established in 1996, INTRASOFT International, a member of INTRACOM IT SERVICES Group that belongs to INTRACOM HOLDINGS Group, has become a major provider of IT services to European Institutions and Member States. Its client list is impressive and includes most of the Directorates General (DGs) and Agencies of the European Commission. INTRASOFT International

provides many critical IT services and systems, ranging from the initial inception and formation of guidelines to the realisation, operation, and support of specialised business domains and diverse technical environments. The majority of these undertakings support the EU Central Administration needs and work towards the effective implementation of EU policies and directives in coordination with the EU Member States and other countries.

In addition, INTRASOFT International's SAP Business Unit, employing today over 50 experts, provides services and SAP solutions to more than 70 enterprises. This clientele consists of Greek SMEs and Large Enterprises, as well as large multinational organisations active in a wide range of market segments. INTRASOFT International, recently nominated SAP GOLD Channel Partner, offers integrated solutions, implementing a wide range of SAP solutions, from the traditional ERP applications to Business Intelligence, CRM, Exchange Infrastructure and Portal Solutions.
